Marks Licences issued according to DIN VDE 0884 - Optoelectronic coupling elements for safe electrical separation - Requirements Tests

VDE-licence-No.: 40001984, 89790, 91818, 91876, 94717, 94718, 101382, 123237, 133790, 133989, 138900, 139701, 140045

Dear Sirs,

We would like to inform you that there have been changes in the standardization. The following new standard has come into force.

Marks licences issued according to DIN VDE 0884 :1987 and DIN VDE 0884 :1992 will become invalid:

Accordingly the applicable Marks Licences will be withdrawn until 2004-01-01 according to the Testing and Certification Procedure, §4, section 4.9.2 of the VDE-Testing and Certification Institute.

We recommend you to apply as soon as possible for re-testing in order to avoid delays in re-issuing of licences. Please fill in the Order Form 19. If you need sales-permission for stock-products, please let us have the relevant information.
