

Product End-of-Life Notice

Miscellaneous SKUs and FRUs

Brocade is initiating the End of Life (EOL) process for a number SKUs and FRUs to streamline fulfilment. These are low volume item SKUs or FRUs in low usage.

These SKUs do not constitute elimination of the main product line they are associated with. Hence continued orders, shipment and support for the main part product numbers these SKUs/FRUs may be associated with will not be impacted by this notice.

The objective of the Brocade account management team is to assist you to make your final purchases of product subject to EOL and to smoothly transition to the new product or solution by planning to the following milestones:

Brocade SKU	Date
