

Interoperability Matrix

Emulex®-branded Fibre Channel Host Bus Adapters by Broadcom

Faster for Flash

- This document contains the interoperability status for Emulex-branded Fibre Channel (FC) Host Bus Adapters (HBAs).
- Most OEM-branded Emulex FC HBAs are co-listed once the Emulex-branded HBA is qualified.
- Broadcom's storage partners issue Hardware Compatibility Lists (HCLs) or interoperability matrices for the Emulex FC HBA, server OS and storage array which they have qualified.
- For the most current and detailed information please consult your storage partner HCL.
- *FCP support available for all Fibre Channel storage; NVMe/FC support listed below may not be available on all storage devices within a product family. Please refer to your OEM.
- Direct-Connect and SAN Switch configurations tested by Emulex as supported by storage vendor
