

Brocade Analytics Monitoring Platform (AMP)

Brocade Analytics Monitoring Platform and Associated Software

Product End-of-Availability Notice

Version 4.0

This notice initiates the End of Availability (EOA) process for the Brocade Analytics Monitoring Platform (AMP). After the noted LTO and LCS dates, AMP will no longer be available for purchase by end user customers.

Support will continue to be offered and provided for the EOA product for five (5) years from the Last Customer Ship (LCS) announced below for those customers with a valid support contract subject to support policies for Brocade products.

The objective of the account management team is to assist you to make your final purchases of product subject to EOA and to smoothly transition to new Brocade SAN Analytics offerings by planning to the following milestones:

Brocade Analytics Monitoring Platform	Date
EOA Partner Notification Date	April 11, 2019
EOA Customer Notification Date (Web Posting of EOA Notice)	April 25, 2019
Last Time Order (LTO): New AMP customers. Final, Non-Cancelable, Non-Returnable Order Due Date (Subject to lead time and availability)	May 31, 2019
Last Time Order (LTO): Existing AMP customers. Final, Non-Cancelable, Non-Returnable Order Due Date (Subject to lead time and availability)	July 31, 2019
Last Customer Ship (LCS) Date	October 31, 2019
End of Support (EOS) Date	October 31, 2024
