Brocade® G610 Non-Lifetime Warranty End-of-Availability Notice

Version 1.0

Brocade, a Broadcom company, is announcing End-of-Availability (EOA) for non-lifetime warranty part numbers for the Brocade G610 Switch. The Brocade G610 Switch will remain available; all the part numbers affected by this EOA notice are listed in the table that follows and have equivalent replacement part numbers that include a lifetime warranty. The Last Customer Ship (LCS) date for the affected part numbers will be January 31, 2023.

There is no End-of-Support (EOS) date set for these part numbers at this time. The EOS date will be aligned with the EOS date for the Brocade G610 Switch, which will be announced in the future. All PODs and licenses will remain available. Support for these products will continue to be available for customers with a valid support contract.

Broadcom is no longer accepting orders for non-lifetime warranty part numbers for the Brocade G610 Switch.
