July 2004 OPD Product Obsolescence Notification

Notification Date: 6 July 2004

Dear Customers

As part of the product life cycle management program at Optoelectronics Product Division of Agilent Technologies, we would like to notify you that some products would be obsolete soon. ***Final orders for these products must be placed by 31 January 2005, with final shipments taken by 31 July 2005 (see part details in appendix1)***

There are 8 groupings of parts (shown below A-H)

If this is an indicative of your future needs, please inform us. Otherwise we request that a lifetime buy to be placed.

Group A: Low volume Annunciator

Group B: Low volume / Unsupportable Base Lamps

Group C: Low volume / Unsupportable ChipLED

Group D: Low volume Dice

Group E: Low volume / Unsupportable High Brightness Through-hole Lamps

Group F: Unsupportable PLCC2

Group G: Low volume PolyLED

Group H: Low volume Seven Segment Display

Please take note that the recommended replacement parts may or may not be drop-in replacement (They may be the closest replacement available).

If you have any questions about this obsolescence, please do not hesitate to contact your local Agilent Technologies sales representative or authorized distributor.

Sincerely
Agilent Technologies Field Sales Engineer
