

FINAL PRODUCT OBSOLESCENCE NOTICE**Notification Date November 30, 2005**

Dear Customer,

Agilent Technologies announces the obsolescence of the Fiber Optic products listed in the table below, effective from October 14, 2005. This obsolescence also affects customer special parts based on these standard products, and those customer special parts are also listed in the below table.

The Key Milestones for this product obsolescence are:

1. Formal customer notification begins November 30, 2005
2. Final customer order date N/A
3. Final ship date to customer N/A

Please note that Agilent Technologies will make every effort to meet customer requirements during this transition period, but does reserve the right to limit last time buy quantities based on capacity and material availability. If you have any questions about this obsolescence, please do not hesitate to contact your local Agilent Technologies sales representative or authorized distributors.
