Description and Extent of Change:

Klinkie Tray with staple pin removed and secured with additional tapes at tray edges.

Reasons for Change:

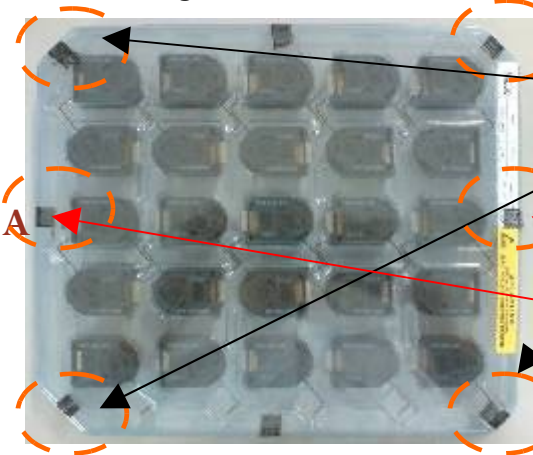

Preventing the risk of contaminating Klinkie modules with staple pins both at assembly at Avago and customer site

Before Change

Current Klinkie packing tray with staple on two sides and use of ESD tapes four side of packing tray for sealing purpose.

After Change

Proposed of using only ESD tapes four side and edges of packing tray for sealing purpose.

Removal of staples from both sides of Klinkie tray.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

There will be no impact to product performance, it is only the packaging minor change.

Effective Date of Change:

Product shipment using this change will commence from 10 Oct 2010.

Qualification Data:

Packaging tray validation report with changes will be shared upon request.
