Product Change Notice

Issue Date: 10 Jan 2012

Change Type:

Major Change - New alternate site location and PIN changed

Parts Affected:

4N25; 4N35; CNY17-1; CNY17-2; CNY17-3; CNY17-4; HCPL-817;
HCPL-827; HCPL-847; HCPL-814; HCPL-824; HCPL-844

All associated options and specials will also be affected.

Description and Extent of Change:

The country of origin is extended to alternate site location (Thailand).
New PIN will be used in the alternate site (China) to ensure business continuity.

Reasons for Change:

In view of the flood in Thailand, the alternate site and PIN material replacement is required for assurance of supply

Effect of Change on Fit, Form, Function, Quality, or Reliability:

No other changes have been made to the product design and manufacturing process. Appropriate electrical characterization and reliability qualification will be performed on representative products to ensure normal parametric distribution, consistent electrical performance, and reliability.

Effective Date of Change:

- To ensure assurance of supply, this product change notice is effective from datecode 1202
- Avago Technologies reserves the rights to limit any last-time buy quantities based on capacity and material availability

Qualification Data:

Qualification data has been generated and approved.

These changes have been reviewed and approved by Avago Technologies engineers and managers per Avago Technologies procedure: Change Control and Customer Notification, A-5962-6052-80.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
