JANUARY 2000 OBU Product Obsolescence Notification

Notification Date Jan 17, 2000

Dear Customers

As part of the product life cycle management program at the Optoelectronics Business Unit of Agilent Technologies, you are being notified of some products that will soon be obsolete. ***Final orders for these products must be placed by July 2000, with final shipments taken by January 2001.***

Group A: Low Volume Seven Segment Display.

Our records show a low level of requirement over the past two years for these product. Otherwise we request that you place your lifetime buys at this time.

Group B: Replacement for 0.68" Dot Matrix Display with 0.68" General Purpose Dot Matrix Display.

Please be informed that we are removing the 0.68" dot matrix display and replacing it with our general purpose 0.68" dot matrix display.

Group C: Removal of Large Junction Yellow devices. (Seven segment display)

Our records show a low level of requirement over the past two years for these product. Otherwise we request that you place your lifetime buys at this time.

Group D: Low Volume High Performance Lamps.

Our records show a low level of requirement over the past two years for these product. Otherwise we request that you place your lifetime buys at this time.

Group E: Low Volume Through-Hole Lamps.

Our records show a low level of requirement over the past two years for these product. Otherwise we request that you place your lifetime buys at this time.

If you have any questions about this obsolescence, please do not hesitate to contact your local Agilent Technologies sales representative or authorized distributor.

Sincerely

Agilent Technologies Field Sales Engineer

Jan00/ksy
