September 2000 OBU Product Obsolescence Notification (Re-announcement)

Notification Date Sept 6, 2000

Dear Customers

As part of the product life cycle management program at the Optoelectronics Business Unit of Agilent Technologies, you are being notified of some products that will soon be obsoleted. ***Final orders for these products must be placed by March 2001, with final shipments taken by Sept 2001.***

Group F: Low Volume Polyled

Our records show that a low level of requirements over the past two years. If this is not the indicative of your future needs, please let us know. Otherwise, we request that a lifetime buy be placed to avoid any inconveniences.

Group G: New part numbering system for Polyled

As part of our plans to convert all old part numbers to the new part numbering system, we would like to notify on the conversion of old part numbers to the new part numbers where the old part numbers will be obsoleted following the normal obsolescence procedure.

Group H: Low Volume Base Lamp

Our records show that a low level of requirements over the past two years. If this is not the indicative of your future needs, please let us know. Otherwise, we request that a lifetime buy be placed to avoid any inconveniences.

Group I: New part numbering system for Base Lamp

As part of our plans to convert all old part numbers to the new part numbering system we would like to notify on the conversion of old part numbers to the new part numbers where the old part numbers will be obsoleted following the normal obsolescence procedure.

******* Insert list of part numbers for the particular customers *******

If you have any questions about this obsolescence, please do not hesitate to contact your local Agilent Technologies sales representative or authorized distributor.

Sincerely

Agilent Technologies Field Sales Engineer

Sept00/ksy
