December 13, 2023

To Management of Broadcom, Inc.

This letter confirms that Johanson Group LLP (Johanson) has conducted a SOC 2, Type II examination of Broadcom, Inc.'s Cyber Security Services, and has issued an unqualified opinion (clean) report dated December 12, 2023.

The examination of management's assertion as included in the "Report on Management's Description of its Broadcom Cyber Security Services and Controls in Operation and Test of Operating Effectiveness Relevant to the Trust Services Criteria for Security, Availability and Confidentiality, and Privacy Categories for the Period of October 1, 2022 to September 30, 2023" was conducted in accordance with attestation standards established by the AICPA.

As of the date of this letter, all of our procedures related to Broadcom, Inc.'s Cyber Security Services SOC 2 Type II examination are complete. Based on our examination we have obtained reasonable assurance, in all material respects, that:

a. The description presents Broadcom, Inc.'s Cyber Security Services (system) that was designed and implemented throughout the period October 1, 2022 to September 30, 2023 in accordance with the description criteria.
b. The controls stated in the description were suitably designed throughout the period October 1, 2022 to September 30, 2023, to provide reasonable assurance that Broadcom, Inc.'s service commitments and system requirements would be achieved based on the applicable trust services criteria, if its controls operated effectively throughout the period and if the subservice organization and user entities applied the complementary controls assumed in the design of Broadcom, Inc.'s controls throughout the period.
c. The controls stated in the description operated effectively throughout the period October 1, 2022 to September 30, 2023, to provide reasonable assurance that Broadcom, Inc.'s service commitments and system requirements were achieved based on the applicable trust services criteria, if complementary subservice organization controls and complementary user entity controls assumed in the design of Broadcom, Inc.'s controls operated effectively throughout the period.

For additional information we refer you to the entire report which includes our signed opinion, dated December 12, 2023.
