Endpoint Security

Symantec Data Center Security

Symantec Data Center Security Server Advanced 6.7 - Administration

Symantec Data Center Security Server Advanced 6.7 - Diagnostics and Troubleshooting

Symantec Endpoint Detection and Response

Symantec Endpoint Detection and Response 4.x - Basic Administration

Symantec Endpoint Detection and Response 4.6 - Technical Update (March 2021)

Symantec Endpoint Protection

Symantec Endpoint Protection 14 - Maintain and Troubleshoot

Symantec Endpoint Protection 14.x - Planning and Implementation

Symantec Endpoint Protection 14.x - Basic Administration

Symantec Endpoint Security Complete

Symantec Endpoint Security Complete - Product Introduction

Symantec Endpoint Security Complete - Basic Administration

Symantec Endpoint Security Complete - Advanced Content

Symantec Endpoint Security Complete - Technical Update (April 2024)

Symantec Endpoint Security Complete - Technical Update (March 2024)

Symantec Endpoint Security Complete - Technical Update (February 2024)

Symantec Endpoint Security Complete - Technical Update (January 2024)

Symantec Endpoint Security Complete - Technical Update (November 2023)

Symantec Endpoint Security Complete - Technical Update (October 2023)

Symantec Endpoint Security Complete - Technical Update (September 2023)

Symantec Endpoint Security Complete - Technical Update (August 2023)

Symantec Endpoint Security Complete - Technical Update (July 2023)

Symantec Endpoint Security Complete - Technical Update (June 2023)

Symantec Endpoint Security Complete - Technical Update (May 2023)

Symantec Endpoint Security Complete - Technical Update (April 2023)

Symantec Endpoint Security Complete - Technical Update (March 2023)

Symantec Endpoint Security Complete - Technical Update (February 2023)

Symantec Endpoint Security Complete - Technical Update (January 2023)

Symantec Protection Engine

Symantec Protection Engine & Symantec Protection for SharePoint Services Support TOI

Symantec Protection Engine for CS & NAS TOI

Symantec Protection Engine 9.1 - Technical Update (September 2023)

Symantec Protection Engine 9.0 - Technical Update (April 2023)

Carbon Black

Carbon Black App Control Administrator - On Demand

Carbon Black App Control Advanced Administrator - On Demand

Carbon Black Cloud Fundamentals

Carbon Black Cloud: Plan and Deploy - On Demand

Carbon Black Cloud: Endpoint Standard - On Demand

Carbon Black Cloud: Audit and Remediation - On Demand

Carbon Black Cloud: Enterprise EDR - On Demand

Carbon Black Cloud: Advanced Operations and Troubleshooting - On Demand

Carbon Black EDR Install, Configure, Manage [V7.x] - On Demand

Carbon Black Endpoint Security: Core Technical Skills

Information Security

Symantec Information Security - Product Introduction

Symantec Cloud Workload Assurance

Symantec Cloud Workload Assurance - Product Introduction

Symantec Cloud Workload Assurance - Planning, Implementation, and Administration R1

Symantec CloudSOC

Symantec CloudSOC - Administration R2

Symantec CloudSOC - Advanced Content

Symantec CloudSOC - Technical Update (April 2025)

Symantec CloudSOC - Technical Update (February 2025)

Symantec CloudSOC - Technical Update (January 2025)

Symantec CloudSOC - Technical Update (October 2024)

Symantec CloudSOC - Technical Update (September 2024)

Symantec CloudSOC - Technical Update (August 2024)

Symantec CloudSOC - Technical Update (July 2024)

Symantec CloudSOC - Technical Update (June 2024)

Symantec CloudSOC - Technical Update (May 2024)

Symantec CloudSOC - Technical Update (April 2024)

Symantec CloudSOC - Technical Update (February 2024)

Symantec CloudSOC - Technical Update (January 2024)

Symantec CloudSOC - Technical Update (December 2023)

Symantec CloudSOC - Technical Update (November 2023)

Symantec CloudSOC - Technical Update (October 2023)

Symantec CloudSOC - Technical Update (September 2023)

Symantec CloudSOC - Technical Update (May 2023)

Symantec CloudSOC - Technical Update (April 2023)

Symantec CloudSOC - Technical Update (March 2023)

Symantec CloudSOC - Technical Update (February 2023)

Symantec CloudSOC - Technical Update (January 2023)

Symantec Data Loss Prevention

Symantec Data Loss Prevention 16.0 – Differences

Symantec Data Loss Prevention 16.x - Basic Administration

Symantec Data Loss Prevention 15.7 - Basic Planning, Implementation, and Administration

Symantec Data Loss Prevention 16.1 - Pre-Release Technical Update (October 2024) Recording

Symantec Data Loss Prevention 16.0.2 - Technical Update (May 2024)

Symantec Data Loss Prevention 16.0.1 - Technical Update (November 2023)

Symantec Data Loss Prevention 16.0 - Technical Update (January 2023)

Symantec Data Loss Prevention 15.8 - Technical Update (February 2021)

Symantec Information Centric Analytics

Symantec Information Centric Analytics 6.6 - Technical Update (January 2023)

Symantec Information Centric Analytics 6.5 - Administration

Symantec Information Centric Analytics 6.5 - Basic Planning, Implementation, and Administration

Integrations

Symantec Integrations

Symantec Data Loss Prevention and Endpoint Security - Integration Introduction

Symantec Data Loss Prevention and CloudSOC - Integration Introduction

Symantec Data Loss Prevention and ServiceNow - Integration Configuration

Symantec Email Security.cloud and Data Loss Prevention - Integration Introduction

Symantec Email Security.cloud and Data Loss Prevention - Integration Demonstration

Symantec Email Security.cloud and Data Loss Prevention - Integration Configuration

Symantec Email Security.cloud and Data Loss Prevention - Integrated Policy Setup

Symantec Email Security.cloud and Data Loss Prevention - Quarantine Integration Update

Symantec Web Isolation and Data Loss Prevention - Integration Introduction (May 2022)

Symantec Web Isolation and Data Loss Prevention - Integration Demonstration

Symantec Web Security Service and Data Loss Prevention - Integration Introduction
 Symantec Web Security Service and Data Loss Prevention - Integration Demonstration
 Symantec Web Security Service and Data Loss Prevention - Integration Demonstration (June 2021)
 Symantec Web Security Service and Data Loss Prevention - Integration Configuration (June 2021)
 Symantec Web Security Service and Data Loss Prevention - Integration Policy Setup (June 2021)
 Symantec Web Security Service and Web Isolation (Dedicated Tenant) - Integration Introduction
 Symantec Web Security Service and Web Isolation (Dedicated Tenant) - Integration Demonstration
 Symantec Web Security Service and Web Isolation (Dedicated Tenant) - Integration Configuration
 Symantec Web Security Service and Web Isolation (Dedicated Tenant) - Integration Policy Setup
 Symantec Proxy SGOS and Data Loss Prevention - Integration Introduction
 Symantec Proxy SGOS and Data Loss Prevention - Integration Demonstration
 Symantec Proxy SGOS and Data Loss Prevention - Integration Configuration (Plain ICAP)
 Symantec Proxy SGOS and Data Loss Prevention - Integration Configuration (Secure ICAP)
 Symantec CloudSOC and VIP - Integration Configuration
 Symantec CloudSOC and VIP - Integration Policies and Demonstration
 Symantec Global Intelligence Network - Product Introduction
 Symantec - Wireshark Introduction
 Symantec - Wireshark Demonstration

Symantec Integrated Cyber Defense Exchange

Symantec Integrated Cyber Defense Exchange - Product Introduction
 Symantec Integrated Cyber Defense Exchange 1.3 - Technical Update (June 2019)

Network Security

Symantec Content Analysis

Symantec Content Analysis 3.2 Basic Administration

Symantec Secure Access Cloud

Symantec Secure Access Cloud - Product Introduction
 Symantec Zero Trust Network Access Administration R1

Symantec SSL Visibility

Symantec SSL Visibility Appliance - Product Introduction
 Symantec SSL Visibility - Management Center with SSLV
 Symantec SSL Visibility - Technical Update (August 2022)
 Symantec SSL Visibility 5 - Administration

Symantec Web Isolation

Symantec Web Isolation - Basic Planning, Implementation, and Administration R2

Symantec Web Protection

Symantec Web Protection - Product Introduction

Symantec Edge SWG

Symantec Web Protection Edge SWG - Product Quick Tips
 Symantec Network Protection Quick Tip - SGOS 7 Upgrade
 Symantec Web Protection - Proxy Auto-Configuration Files
 Symantec Edge SWG - Technical Update (September 2023)
 Symantec Web Protection - Basic Edge SWG Administration R2
 Symantec - S410 Initial Configuration

Symantec Cloud SWG

Symantec Web Protection Cloud SWG - Product Quick Tips
 Symantec Cloud SWG - Technical Update (August 2024)
 Symantec Cloud SWG - Technical Update (August 2023)
 Symantec Web Protection - CFS Technical Update (August 2022)
 Symantec Cloud SWG - Technical Update (June 2022) Recording
 Symantec Web Protection - Basic Cloud SWG Administration R2
