Datasheet Symantec Buying Program: Express

The easiest way for corporations to buy

Symantec Express Buying Program offers small to medium companies a streamlined way to purchase without the complexity of signed contracts or financial commitments. Licenses and services must be used within the country of purchase.

Express customers are organizations that:

- Have purchase requirements of licenses between 1-500 units
- Use the products within the country of purchase

Key features and benefits:

- A low minimum purchase requirement (As little as 1 license per order to qualify)
- Access to Symantec's commercially-available software, hardware, maintenance/support, and services
- Easy-to-buy the reare no signed contracts or financial commitments required
- Pricing incentives- access to Express Program Bands (see right) based on order volume on a per order basis
- Easy availability through Symante c Partners
- Ease of ordering A Symantec Agreement Number (SAN) is created at the time of order placement and can be used to effectively view, track, and manage license purchases and renewals

Symantec Express Buying Program makes it easier than ever to renew maintenance/support

Renewing maintenance/support allows organizations easy access to the expertise, innovative support technology and customer advocacy available through Symantec's <u>support services portfolio</u>. For more information about Symantec's maintenance/support offerings, visit our website or contact an authorized Symantec Partner

Express Program Bands

Each band represents a discount range* applied to the total amount of each purchase.

| Band Levels | Minimum Quantities |
|-------------|--------------------|
| S | 1 |
| А | 1-24 |
| В | 25-49 |
| С | 50-99 |
| D | 100-249 |
| E | 250-499 |
| F | 500+ |

* Levels are calculated by product, SKU quantity, total purchase amount, region and currency rates. Discounts are provided to the entity placing the order with Symantec. For channel orders, Symantec provides the appropriate band level pricing to the channel partner, and the customer then arranges pricing the order with its reseller.
