Brocade® G620 Switch
End-of-Life Notice, Version 1.1

Brocade, a Broadcom company, is announcing End-of-Life (EOL) for the Brocade® G620 Switch and its FRUs. The Last Customer Ship (LCS) date for the affected part numbers will be January 26, 2025. Support will continue to be offered and provided for 5 years from the Last Customer Ship (LCS) date for customers with a valid support contract, subject to support policies for Brocade products.

New Brocade Fabric OS® (FOS) releases will be made available for 2 years from the LCS date for the Brocade G620 Switch for customers with a valid support contract. After FOS End-of-Availability (EOA), the latest supported FOS release available for the product prior to its FOS EOA date will continue to be available for use on the Brocade G620 Switch until End-of-Support (EOS). Port-on-Demand (POD) and licenses for the Brocade G620 switch will continue to remain available for sale for a period of 2 years from the LCS date listed below.

The Brocade G720 Switch is the replacement for the Brocade G620 Switch. The Brocade G720 switch is a modern Gen 7 Fibre Channel switch, and offers superior performance, lower latency, significant security enhancements, and a more advanced feature set, compared to the Brocade G620 switch. This notice is to inform you to make your final purchases of the product subject to EOL and to smoothly transition to the new product by planning to the following milestones:

Brocade G620 Switch	Date
End-of-Life (EOL) Notification Date	July 26, 2024
