July 2003 OPD Product Obsolescence Notification

Dear Customers

As part of the product life cycle management program at Optoelectronics Product Division of Agilent Technologies, we would like to notify you that some products would be obsolete soon. There are 2 categories of parts obsolescence:

Category 1: Final orders for these products must be placed by 31 January 2004, with final shipments taken by 31 July 2004.

Category 2: Products to be obsolete, as announced per PCN A-03-002-475412-OA, final orders for these products must be placed by 17 August 2003, with final shipments taken by 18 February 2004 (For easy reference only)

Category 1: Final orders for these products must be placed by 31 January 2004, with final shipments taken by 31 July 2004

If this is an indicative of your future needs, please inform us. Otherwise we request that a lifetime buy to be placed.

Group A: Low volume Base Lamps

Group B: Consolidation of manufacturing sites/ Low volume ChipLED

Group C: Product phase out/ Product standardization/ Unsupportable part /Low volume High Brightness Through-hole Lamps

Group D: Low volume Light Bar Display

Group E: Low volume PolyLED

Group F: Low volume Seven Segment Display

Group G: Depleting /Obsoleting ASIC supply/ Low volume Smart Display

Category 2: As per PCN A-03-002-475412-OA, final orders for these products must be placed by 17 August 2003, with final Shipments taken by 18 February 2004 (For easy reference only)

The changes of IV and Color binning have impacted a change of part numbers.

Group H: Base Lamps

***** **Insert list of part numbers for the particular customers** *****

If you have any questions about this obsolescence, please do not hesitate to contact your local Agilent Technologies sales representative or authorized distributor.

Sincerely
Agilent Technologies Field Sales Engineer
