Selected Brocade® G630 Switch Part Numbers
End-of-Availability Notice, Version 1.0

Brocade, a Broadcom company, is announcing End-of-Availability (EOA) for the selected Brocade® G630 Switch part numbers and FRUs listed below. The Brocade G630 switch will remain available, and all part numbers affected by this EOA notice have equivalent replacement part numbers that can be ordered.

There is no End-of-Support (EOS) date set for these part numbers. The EOS date will be aligned with the Brocade G630 Switch EOS date, which will be announced in the future. Support for these products will continue to be available for customers with a valid support contract.

The replacement part numbers are all readily available, and all future orders for the Brocade G630 Switch should be placed using the designated replacement part numbers.
