Accessing VMware VCF Digital Content

To access the eLearning content in Learning@Broadcom, you must have a single sign-on account with Broadcom. Please refer to this document for instructions on how to log in using your existing account. Additionally, you will find instructions on how to create an account in Section 1.2.

Contents:

1.1	If you Have an Account	2
1.2	If you Do NOT have an Account	4
1.3	My Profile – Update/Modify your Account Settings	4

1.1 If you have an Account

There are two ways to log in to your Learning@Broadcom Account. Please see instructions below for both available options.

Option 1:

- 1. Go to the Broadcom Support portal.
- 2. Click "Login" and enter your support username and password to sign in.

3. This will take you to your Broadcom "My Dashboard".

3. Enter your support email address and password to log in to the Learning@Broadcom portal.

Note: If you do not have an account, please refer to the steps provided in <u>Section 1.2</u>. Additionally, to update your account settings, follow the steps in <u>Section 1.3</u>.

Accessing Digital Content:

Once you have logged in to your account, there are two ways to access digital content within the Learning@Broadcom portal.

Option 1: VMware Subscriptions:

- <u>Description</u>: Please follow the steps below if you are enrolled in either the VMware Cloud Foundation ELS or VMware Cloud Foundation – Digital Learning Subscription, both of which provide access to a variety of digital learning courses.
- <u>How to Access</u>: In the top menu bar, click "My Subscriptions" and then select the VMware VCF Subscription you are enrolled in to search for content within this offering.

Option 2: VMware VCF Entitlements:

- <u>Description:</u> Through this entitlement, qualifying customers and partners will be able to access digital courses as well as register for upcoming of VMware VCF Instructor-led Open Enrollment courses.
- <u>How to Access</u>: In the search bar, just type the product, class, or key word you'd like to find and click Enter. You will then be directed to all of the available courses with those search parameters.

1.2 If you Do NOT Have an Account

A Support account is required in order to access the eLibrary. To create a new account, follow the below steps:

- 1. Go to the <u>Broadcom Support portal</u>.
- 2. Click the "Register" button.

- 3. Follow the instructions for creating an account.
- 4. Log in using the "If you Have an Account" steps above.

1.3 My Profile – Update/Modify your Account Settings

To request site access, and set up notifications on the Support portal, click "My Profile" and complete these steps:

ccess your profile by clicking on your username at t orner and select "My Profile" from the drop down. In Profile displays your basic user information as we rofile Builder to update your service access.	l as a link to the	Bremgata A My Profile Request Site Access E Notification Settings F Logout
